

SS - SIL 290

D escription	Micronized Silica (Gel Type)																		
C hemical composition	SiO ₂																		
C AS No.	7631-86-9																		
A pppearance	White																		
A pplication	Matting agent, Anti-blocking agent, Anti-cake agent, Protein absorbent, Refining agent, Moisture Scavengers, Catalyst carrier, Tableting aids, Cosmetics, Diazo paper, Printing ink, PVC compounds, Powder substance etc.
